New Business

- Meal Plan Discussion – Carrie Schoner
 - Carrie answered questions and got feedback on the campus meal plan.
 - Meal plan consists of an entrée, a side, and a beverage. There is no way to do portions on the meal plan, ex. Fruit cups, soups, or a beverage, you need to purchase something else with the single item, otherwise you will be charged \$6.00
 - Want more choices to choose from.
 - Lot of students don't know about the meal plan.
 - Purchasing the meal plan not getting their money back if it is not used up.
 - Rules are on the purchase agreement and on the website
 - Some students are not on campus a lot to use all the money up
 - Will put on the agenda for future consideration
 - Meal Campus Plan are not good for all campus's time wise because of the different cafeteria's closing times.
 - Surveys are out there. Right outside each cafeteria.

 - Need to get more feedback by using surveys
 - Lot of people don't know about it, need to advertise it more.
 - Archie
 - The fee has been negotiated from \$7.00 to \$6.00
